

# HAC 30x30 matchmaking virtual fair

# AGENDA

24 APRIL 2024

ZOOM

09:00 AM - 10:30 AM EDT

<https://wri.zoom.us/webinar/register/>

9:00 AM

Introduction in Plenary

9:10 AM

Presentation of Offers in breakout rooms

10:15 AM

Concluding Remarks in Plenary

## VIRTUAL FAIR FEATURING

## **THEME 1:**

### **UNDERSTAND TARGET 3 AND ALIGN WITH CROSS-SECTOR POLICY**

This breakout room presents offers of assistance for HAC countries related to global and national issues related to 30x30, including national plans and strategies, climate change, policy-making, finance, and cross-sector/level collaboration.

#### OFFER 1

### **Organize or Co-organize Peer Learning Exchanges with Policymakers and Practitioners**

United Nations University - Institute of Advanced Studies

#### OFFER 2

### **Strategic Planning to Deliver 30x30**

The Nature Conservancy

#### OFFER 3

### **Developing Innovative Finance Solutions to Fund 30x30**

Conservation Strategy Fund

#### OFFER 4

### **Supporting the Creation and Management of a Territorial Network of Protected Areas**

NatureXpairs

#### OFFER 5

### **Advancing OECMs in National 30x30 Strategy**

WWF

#### OFFER 6

### **Blue Nature Alliance**

The Pew Charitable Trusts, Conservation International, GEF, Minderoo Foundation and Rob Walton Foundation

**THEME 2:  
INCREASE COVERAGE AND CONNECTIVITY OF  
PAS AND OECMS**

Increasing protection to at least 30% of lands and 30% of oceans is more than a number. This breakout room 2 presents offers that can help integrate other critical aspects such as connectivity, areas important for biodiversity, landscape approach, and the important topic of other effective area-based conservation measures (OECMs).

OFFER 7

**Expertise Support on OECMs**

WCPA OECMs Specialist group

OFFER 8

**Expertise Support on Private  
Approach to Nature Conservation**

WCPA Privately Protected Areas and Nature Stewardship Specialist Group

OFFER 9

**Connectivity Modeling &  
Mapping**

Center for Large Landscape Conservation

OFFER 10

**Designation of MPAs and  
OECMs.**

Global Fishing Watch

OFFER 11

**Capacity Development on  
Landscape Approaches**

United Nations University - Institute of Advanced Studies

OFFER 12

**Landscape Approach Planning,  
Climate and Biodiversity  
Mapping**

Conservation International

**THEME 3:  
EFFECTIVE AND EQUITABLE MANAGEMENT OF  
SITES AND SYSTEMS**

This section presents various offers of assistance that can help protected and conserved areas in their daily, short-term, and mid-term operations. The selected offers addresses management and governance challenges both at national and site levels.

OFFER 13

**Supporting the Development of  
Sustainable Tourism in Protected  
Areas**

NatureXpairs

OFFER 14

**Evaluation de l'Efficacité de Gestion  
des Aires Protégées et Conservées**

Observatoire des Forêts de l'Afrique Centrale  
OFAC/RIOFAC

OFFER 15

**Expertise Support in Sustainable  
Finance**

WCPA Sustainable Finance Specialist Group

OFFER 16

**Green List and Management  
Effectiveness**

WCPA Green List Standard and Management  
Effectiveness Specialist Group

OFFER 17

**Enhancing MPA Effectiveness  
through Assessment,  
Accountability, and Intervention**

Global Fishing Watch

OFFER 18

**Streamline Biodiversity  
Monitoring with the Wildlife  
Insights Platform**

Google

## **THEME 4: RECOGNIZE AND RESPECT RIGHTS OF IPLCS**

Target 3 can advance Indigenous Peoples and Local Communities rights and promote their engagement in biodiversity conservation if it fully safeguards their rights and ensures their voices are heard. In this room, assistance providers present various supports for HAC for N&P countries to that critical element of Target 3.

OFFER 19

### **Expertise Support on Governance, Equity and Rights in Protected Area Management**

International Union for Conservation of Nature-  
World Commission on Protected Areas

OFFER 20

### **Assistance in Knowledge and Capacity Building of Local Communities and Actors**

NatureXpairs

OFFER 21

### **Setting Up New Participative Governance Tools for Natural and Rural Territories**

NatureXpairs

OFFER 22

### **Guidance for Equitable Governance and Respect for Rights of 30x30**

International Institute for Environment and  
Development

OFFER 23

### **Supporting IPLCs to Ensure Their Voices, Rights, and Expertise are Centered**

International Institute for Environment and  
Development

**THEME 5:  
MONITOR AND REPORT PROGRESS**

Issues of monitoring and reporting 30x30 progress remain a challenge, often hampered by a lack of capacity, data, and technology. Progress on Target 3 must be visible to maintain support for nature conservation. Selected offers in this section will help HAC for N&P countries to address these challenges.

OFFER 24

**Free Consultation on How to Use  
GIS Technology to Collect, Monitor  
and Share Data**

Esri

OFFER 25

**Monitoring Plans of MPAs and  
OECMs**

Global Fishing Watch

OFFER 26

**Google Earth Engine Geospatial  
Data Analysis Platform for 30x30  
Targets**

Google

OFFER 27

**Expertise Support on Monitoring  
and reporting progress on  
Target 3**

International Union for Conservation of Nature-  
World Commission on Protected Areas &  
UN Environment Programme World Conservation  
Monitoring Centre

OFFER 28

**Suivi Spatial des Paysages  
Conservés**

Observatoire des Forêts de l'Afrique Centrale  
OFAC/RIOFAC

OFFER 29

**Monitoring Connectivity  
Conservation**

Center for Large Landscape Conservation
